People's Choice Competition Rules and Regulations

1. **Those participating in the People's Choice Competition will receive a \$100 reimbursement within 30 days of the competition and be eligible for an additional \$1000 in prize money (1st place- \$600, 2nd- \$300, 3rd place- \$100).**
2. Contestants can enter their choice of meat. You must provide a minimum of 50 lbs to be eligible to compete for the People's Choice Competition. Keep in mind, more samples means more votes!
3. The People's Choice Competition will begin **AFTER** submitting entries to the judges for the KCBS competition at 2pm and conclude prior to the awards ceremony at 5pm. Placement in the People's Choice category will have no effect on scores for Grand Champion or Reserve Champion for the KCBS portion of the competition.
4. The public will come to your space around the track for tastings. Those participating in the People's Choice competition will be provided with a marker indicating that they are providing samples. Sample cups and utensils will be provided.
5. Contestants are encouraged to sell their own sauces and spices. Offering samples in the People's Choice Competition is a great way to market your product to the public. Be sure to take advantage of this great opportunity!
6. Contestants are required to abide by all local, county and state ordinances and statuses including obtaining a permit from the Virginia State Health Department. The current health department fee is a \$40 (calendar) yearly fee payable with the first permit of the year. That fee is a statewide fee so if a vendor has already paid \$40 anywhere in Virginia this year no additional fee is needed (proof may be required). Applications must be submitted to the health department at least 10 days prior to the event. Jennifer Jeffries is our local contact for the Virginia Health Department. You can contact her Monday—Friday between 8am —4:30pm at (540) 459-6973 or virginia.jeffries@vdh.virginia.gov.
